GIFTS OF STOCKS, BONDS & MUTUAL FUNDS

Did you know that making a charitable gift of appreciated stocks, bonds or mutual funds can save you taxes? Giving these investment assets is easier than you may think and it is one of the most tax-effective ways for you to make a gift to support the causes that matter most to you.

THE BENEFITS OF GIVING YOUR INVESTMENTS TO CHARITY

When you make a gift of your securities or bonds to a charitable organization like ours, you benefit in the following ways:

- You receive a charitable income tax deduction, for the market value of your gift. This translates into tax savings on your next income tax return!
- If you make a gift, rather than sell your appreciated investment, you avoid capital gains tax otherwise due.
- Because you are making a gift of an asset, your gift will not adversely affect your cash flow.
- Making gifts from your assets, instead of from your checkbook, may allow you to make a greater gift than you ever thought possible.

SECURITIES AND BONDS GIFT PLANNING STRATEGIES

You can make a significant difference by giving appreciated assets:

1. **Outright Gift** - One of the simplest ways to make a gift to support Bighorn River Alliance is by giving us the asset to us directly. For example, you can transfer a few shares of stock that is overrepresented in your portfolio.
2. **Gift to a Donor Advised Fund** - Contributing appreciated assets to a donor advised fund (DAF) allows you to make grants each year to support The Bighorn River Alliance and other causes you care about.
